How CAAF Helps You Succeed

CAAF members have priority access to our learning opportunities, at a reduced fee. We offer a suite of courses, all of which can be tailored to meet specific needs. They are highly interactive, with a mix of instruction, discussion, exercises and videos, and are taught by our cadre of professional teaching associates, who are leaders in their field.

LEARN THE BASICS

Fundamentals of Performance Audit 4 days

Learn basic concepts related to the entire performance audit process with this introductory level course, including audit selection, planning, examination, and reporting.

Effective Report Writing 3 days

Learn the principles of effective audit report writing including how to prioritize information and synthesize data.

PERFECT YOUR SKILLS

Leading Successful Audits 3 days

Understand the key elements of a successful audit and what audit leaders need to do to make an audit successful.

Evidence Collection and Analysis 2 days

Understand how to design an evidence collection strategy, make professional judgments on sufficiency and appropriateness of evidence, and the potential pitfalls in preparing reports that align with evidence.

Root Cause Analysis 2 days

Develop better audit recommendations and learn hands-on tools that will enhance audit quality and allow you to address the underlying causes of observed deficiencies.

DIVE DEEPER INTO AUDIT TOPICS

Auditing Gender Equality 3 days

Learn about gender mainstreaming, the process for including gender equality dimensions in performance audits, and the steps and challenges in designing an appropriate audit plan on gender equality.
